Proceedings of the Madras Government; Public Works Department,
9th November 1876. No. 3,002.

No. 150. Read the following letter from Lieut.-Colonel J. J. McLEOD INNES, R.E., Deputy Secretary to the Government of India, Public Works Department, (Account—General,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 31st October 1876, No. 947 A G:—

WITH reference to the abstract estimate of the value of stores likely to be indented for from England for Public Works in Madras for 1877-78, forwarded with your letter, No. 2,464, dated 15th September 1876, I am directed to point out that the estimate does not exhibit the currency, *i.e.*, English or Indian, in which the value of the stores are entered. The figures have been accepted as representing Indian money, but I am to say that it will be convenient if, in future, the value of the stores is shown in English currency, and I am to request that this may be done.

No. 151. ORDER THEREON, 9th November 1876, No. 3,002.

ACCOUNT, No. 12.

COMMUNICATED to District Engineers for information and guidance with reference to G.O., No. 2,463, dated 15th September

1876. The conversion into English currency will be done by the General Superintendent of Public Works Stores in the general estimate.
