*Proceedings of the Madras Government, Public Works Department,
20th November 1876. No. 3,109.*

No. 355. Read the following letter from Captain L. CONWAY-GORDON, R.E.,
Examiner of Public Works Accounts, to Major-General G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated Fort St.
George, 19th October 1876, No. 269 W :—

I HAVE the honor to acknowledge the receipt of copy of an application to the Govern-
ment of India for a re-appropriation of Budget Credits (No. 11 A, dated 3rd October
1876), and with reference to the fifth item I beg to point out that if the Sivagunga
drainage channel is not connected with any system of canals, its cost should apparently
not be debited to Irrigation Funds. I observe that in the statement printed in G.O.,
No. 2,165, dated 18th August 1876, this work is shown as connected with the Pulleru
section of the Nizampatam canal (Kistna (?) Delta System).

No. 356. ORDER THEREON, 20th November 1876, No. 3,109.

IRRIGATION, No. 31.

THE Sivagunga drain appertains to
