No. 58. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 31st January 1876, No. 57 :—

THE office of the Examiner of Railway Accounts is at present located in a portion of the room occupied by the establishment of the Conservator of Forests. Colonel Beddome has written for its removal at once, as accommodation is urgently required for his own establishment.

2. The Agent of the Carnatic Stipends has been good enough to give up a portion of his record-room for the use of the Examiner's establishment, but upon condition that a wall or screen be erected to divide the offices and prevent access to the records.

3. The District Engineer states that he has no funds to construct the partition; and I have the honor therefore to request that sanction may be granted for an expenditure of Rupees 115, being the amount of the accompanying estimate for carrying out the work.
