No. 379. Read the following endorsement of the Chief Secretary to Government, dated Fort St. George, 13th November 1876, No. 1,814:—

From Reverend O. DENE, B.A., Principal and Secretary, Lawrence Asylum, to the Hon. W. HUDLESTON, Chief Secretary to Government, dated Ootacamund, 10th November 1876, No. 2,020.

In accordance with G.O., 6th October 1876, No. 2,695, (Public Works Department,) I have the honor to forward a letter from the District Engineer, Nilgiris, of the cost of the material for which application was made in my letter, No. 1,033, dated 27th September 1876.

2. The Committee are willing to provide the necessary funds to meet the cost of labor in carrying out the proposed works, alterations and repairs; and they venture to hope that, in accordance with paragraph 2 of G.O., No. 777, of the 27th March 1876, (Public Works Department,) the material, viz., limestone, bricks and sand, for which they have asked, may be handed over to them free of cost.

3. The Committee desire to remark that the proposed works are urgently needed.

From Captain J. L. MORANT, R.E., District Engineer, Nilgiris, to Reverend O. DENE, B.A., Principal and Secretary, Lawrence Asylum, Ootacamund, dated Ootacamund, 2nd November 1876, No. 384.

With reference to your letter, No. 2,059 of the 30th ultimo, I have the honor to inform you that the cost of the materials referred to is as follows:—

	RS.	A.	P.
601 Parahs of limestone at 2-8-0	1,502	8	0
20,200 Bricks stacked on the female site, at 16 Rs. per 1,000	323	4	0
421 Parahs of sand at 4 Annas...	105	4	0

2. Most of the sand which was on the female site has been removed by me. You are very welcome to what is left, which, I believe, amounts to about 200 parahs. I regret the quantity is not as great as you require.

TRANSFERRED to the Public Works Department.

(Signed) W. HUDLESTON,
Chief Secretary.
