*Proceedings of the Madras Government, Public Works Department,
21st November 1876. No. 3,130.*

No. 397. Read the following letter from Captain L. CONWAY-GORDON, R.E.,
Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Fort St. George,
11th November 1876, No. 289 W :—

I HAVE the honor to point out, for the information of Government, that the appro-
priation made for improvements to the Byana weir in G.O., No. 2,706, dated 9th October
1876, apparently requires the confirmation of the Government of India.

2. The Public Works Code, Chapter XVI, i, 60-i, limits the power of the Local
Government in the matter of appropriations for works not included in the Budget to
cases in which the estimate does not exceed Rupees 10,000.

3. And the Circular of the Government of India, No. 43 of 1874, printed with G.O.,
No. 2,355 of 21st August 1874, only leaves to Local Governments power of making appro-
priations to major works actually entered in the Budget Estimate, in one of the three
classes, A, B, or C.
