From the Government of India, Public Works Department, to the Secretary to the
Government of Punjab, in the Public Works Department, dated 3rd October
1876, No. 1,354 E—G.

WITH reference to entry Nos. 33—5 in the Proceedings (Establishments) of the

No. 1,297 E—G, dated 19th September 1876. Government of the Punjab for the month of
" 1,316 E—G, " 22nd " " August 1876, and the communications from
this office noted on the margin, on the sub-

ject of the transport by rail at the expense of the State of horses of officers on occasions
of transfer, the Government of India consider it desirable to explain that Standing Order
No. 51 of 1871 is intended to apply only to cases in which the transfer is on urgent duty,
and the officer is consequently required to proceed ready equipped for immediate ser-
vice, and not to ordinary cases of transfer. The fact that a railway is available for the
rapid transport of horses and camp equipage does not affect the general rule, under which
ordinarily an officer transferred in the interests of the public service arranges for the
transport of his horses, &c., at his own expense.

2. It is not known under what circumstances the Assistant Engineer was trans-
ferred to the Derajat Division, but assuming that the work to be done was urgent, the
order to convey the horses by rail should, under the Standing Order before quoted,
have been given by the Local Government before the journey was undertaken.
