*Proceedings of the Madras Government, Public Works Department,
22nd November 1876. No. 3,147.*

Read the following papers:—

No. 428. Telegram from District Engineer, Nellore, to Chief Engineer, Public Works Department, Madras, dated 18th November 1876.

WANT twelve tents for subordinates: six sepoy pattern, six European soldier pattern.

No. 428-A. Telegram from the same Officer, dated 21st November 1876.

WANT tents for Offices and supernumerary Overseers who cannot supply themselves. Tents available will be acceptable. Letter follows.

No. 429. ORDER THEREON, 22nd November 1876, No. 3,147.

CIVIL WORKS, No. 32-A.

It being understood that there are a few Staff Serjeants' tents in store, from which can be made up six hill tents for use in the Nellore District in connection with Famine Relief Works, the Quartermaster-General will, under orders in the Military Department, arrange for the immediate issue of six hill tents to the District Engineer, Presidency, who will forward them to Nellore without delay. The cost will be adjusted against Famine Relief Funds.

My dear Walker, 8420

We have not
6 Hill Tents, but there are a
few Staff Sergeants Tents left
in store and from these the 6
Tents required can be made up.

Please send me an order
of procurement their issue
that we know where they are
to be made over here.

Yours very sincerely
