*Proceedings of the Madras Government, Public Works Department,
27th November 1876. No. 3,161.*

No. 452. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 6th November 1876, No. 539:—

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 26th October 1876, No. 1,080.

ADVERTING to your office letter, No. 529, of the 1st of July 1864, and to the conversation that took place upon the subject at the Committee Meeting held in my office yesterday, I have the honor to request that you will be so good as to communicate the sanction of Government for the disbursement of an allowance of Rupees 60 per mensem to Mr. Butcher, Assistant Traffic Manager, during the time he remains in Madras to perform the duties of Mr. Moss, the Deputy Traffic Manager, who is absent on leave.

2. Mr. Butcher is the Assistant who arrived recently from England, and had he been posted to a division up-country on his arrival, would have been entitled to the allowance. He has had however, to meet the convenience of the service, to remain in the Presidency town, where his expenses are necessarily heavier than they would have been in the Mofussil, and I trust therefore the sanction applied for will be accorded.

SUBMITTED for the favorable consideration of Government.

2. Mr. Butcher, Assistant Traffic Manager, was sent out by the Board of Directors upon the sanction conveyed in Proceedings of Government, No. 1,387, dated 3rd June 1876.

3. In Order No. 409, dated 28th June 1864, the Government authorized an allowance of Rupees 60 for Assistant Traffic Managers in charge of working divisions, and whose duties require them to be frequently travelling on the line.

4. Mr. Moss, the Deputy Traffic Manager, being absent on privilege leave, Mr. Butcher was appointed to act for him and has not yet therefore been actually posted to a division. He receives no Presidency allowance, and had he been posted direct to a division he would have drawn the allowance in question, which Mr. Moss, for whom he is acting, also draws.
