*Proceedings of the Madras Government, Public Works Department,
27th November 1876. No. 3,163.*

No. 456. Read the following endorsement of the Secretary to Government, Military Department, dated Fort St. George, 8th November 1876, No. 5,706:—

From Brigadier-General A. HOWLETT, C.B., Quartermaster-General, to Colonel J. MICHAEL, C.S.I., Secretary to Government, Military Department, dated Fort St. George, 4th November 1876, No. 7,577.

With reference to O.G., No. 5,577, dated 2nd November 1876, communicating orders* in the Public Works Department that Officers Commanding Stations and

Divisions should be reminded that none but sanctioned works exceeding 2,500 Rupees are admissible in budget lists, I am directed by His Excellency the Commander-in-Chief to inquire whether these orders are intended to prohibit the submission to Government of general lists of requirements in accordance with the reports of Annual Committees referred to in G.O.C.C., No. 53, dated 9th May 1875, except for sanctioned and emergent works.

2. This General Order enjoins the submission of *all* military requirements as noted by the Annual Committees of Divisions and Districts, for transmission to the Local Government with the recommendation of His Excellency the Commander-in-Chief.

REFERRED to the Public Works Department.

(Signed) J. MICHAEL, Colonel,
Secretary to Government.

No. 457. ORDER THEREON, 27th November 1876, No. 3,163.

MILITARY WORKS, No. 5-A.

It is remarked that the General Order calls for information as to all Military requirements *in each year*; which must be

understood to limit those requirements to such as there is any pressing necessity for, probability of funds being available, and possibility of being carried out by the executive staff available. And it is likely to be found that there are enough of sanctioned works to fulfil the two latter conditions; hence they should constitute the bulk if not the whole of the requirements made. The object of the remark made in G.O., No. 2,761, of 14th October, was that Commanding Officers might be impressed with the necessity of taking pains to obtain the orders of His Excellency the Commander-in-Chief and of Government on all their requirement long before the time of preparing their Budgets came round.
