*Proceedings of the Madras Government, Public Works Department,
28th November 1876. No. 3,190.*

No. 508. Read the following endorsement of the Chief Engineer for Irrigation, dated Fort St. George, 15th November 1876, No. 250 W :—

From Colonel C. V. WILKIESON, R.E., Superintending Engineer, Coimbatore, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Coonoor, 11th October 1876, No. 72 C I.

I HAVE the honor to submit for sanction a plan and estimate, amounting to Rupees 400, for constructing an inspection shed at Eliamoothoor in Oodumulpetta taluq. I consider the shed is

necessary for proper inspection of the Kullapuram channel, which is very inaccessible; for its head is about 12 miles from the village of Eliamoothoor, which is the nearest place where it is safe to sleep.

2. There is no chuttrum or bungalow in the vicinity of this irrigation channel, and at some seasons of the year it is impossible for tents to stand there. The channel bank cannot be ridden along, this much impedes the work of inspection, which is also in other respects difficult.

3. Funds for the shed may be appropriated from the grant of Rupees 500 for inspection bungalows, &c., provided in Part IV of the preliminary issue of the Irrigation Department Budget, page 87.

SUBMITTED for the consideration of Government.

2. The circumstances being exceptional, the construction of an inspection shed at Eliamoothoor is recommended for execution from the Minor New Works grant, the cost estimated at Rupees 400 being charged to the Ambravutty river irrigation, Eliamoothoor is conveniently situated for the inspection of the Kullapuram, Koomaralingum, and Kunnadiputur Anicuts on the Ambravutty.

(Signed) JOHN MULLINS, Lieut.-Col., R.E.,
Chief Engineer for Irrigation.

No. 509. ORDER THEREON, 28th November 1876, No. 3,190.

IRRIGATION, No. 43.
Account.

SANCTIONED for execution from the district grant for Minor New Works as follows :—

Head of Service.—Irrigation.

Fund.—Ordinary Agricultural.

Class.—Original Works.

Name of work.—Inspection shed at Eliamoothoor.

Amount.—Estimate Rupees 400.

To be carried out by the Public Works Department.

2. This sanction has been registered as No. 183 I of 1876-77.

(True Extract.)

Major-General, R.E.,
Secretary to Government.

To the Superintending Engineer, Coimbatore.
" Collector of Coimbatore.
" Examiner of Public Works Accounts.
" Chief Engineer for Irrigation.
" Revenue Department.

No 7207
The Superintending Engineer
Coimbatore
I have the honor to sub-

1 Plan and estimate amounting to
1 Estimate of Rs 400. Rs 400 for constructing
Inspection shed at Channarayana
in Coimbatore Taluk
considers the shed is necessary
for proper inspection of the Kulla
perum channel, which is very
inaccessible for its head is about
12 miles from the village of
Channarayana, which is the
nearest place where it is
safe to sleep.

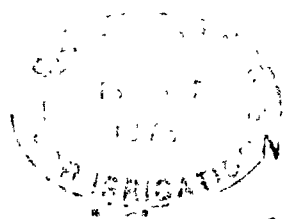

2. There is no Chattram
or Bungalow in the vicinity of

this Irrigation channel and
at some seasons of the year
it is impossible for tents to
stand there. The channel
bank cannot be ridden
along, this much impedes
the work of inspection, which
is also in other respects difficult.
3. Funds for the shed, may be
appropriated from the grant
of Rs 500 for inspection bungalows
provided in Part II of the
Preliminary estimate of the Irriga-
tion Depart Budget, Page 87.
It is to be noted that the house to be
used is located in a place where
there is no government establishment
and no other building of any kind.
It is to be noted that the house
is to be used for the purpose of
inspection and not for any other
purpose.
