No. 386. Read the following Proceedings of the Madras Government in the Financial Department, dated 20th November 1876, No 2,081 :—

Read the following letter from Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 24th October 1876, No. 276 W.

I HAVE the honor to acknowledge the receipt of G.O., No. 22, dated 3rd August 1876, communicating to me G.O. in the Financial Department, No. 1,304, dated 26th July 1876, regarding a debit to the Public Works Department of Rupees 67,077 paid for the purchase of buildings and land acquired for the new Lying-in Hospital at Madras.

2. Not understanding clearly how to accept the debit, even as a matter of account, without the transaction being completed by a formal re-appropriation of budget credits or an additional grant, after some correspondence with the Accountant-General, Madras, I applied to the Accountant-General, Public Works Department, and I enclose an extract from that Officer's reply.

3. When accepting the debit, I should be much obliged by Government taking the necessary formal steps to complete the transaction, and thus removing it from the list of objectionable items.

EXTRACT from a letter from the Accountant-General, Public Works Department, to the Examiner of Public Works Accounts, Madras, dated 4th October 1876, No. 1,044 G.

PARAGRAPH 2. * * * I understand that the Government of Madras have decided that the charge is Provincial. If this is the case, the outlay should be debited to that head under "Original Works, Civil Buildings." And, as there is no budget provision to meet the debit, all that is necessary is to point out to the Government of Madras that a re-appropriation of budget credits or an additional grant is required to meet the charge. And until this is done the charge should appear in the objectionable item books until duly provided for.
