No. 49. From Lieutenant A. AWDRY, R E., Acting District Engineer, Coimbatore, to Major-General G. W. WALKER, R E., Secretary to Government, Public Works Department, dated Coimbatore, 18th November 1876, No 94 C I

I HAVE the honor to report that on receipt of G O, No 2,938, of 2nd November 1876, I ordered the Irrigation Range Officer to relieve Mr. H D'Monte of his duties at once and send him back to Madras

2 Mr D'Monte was actually and necessarily employed in the Range Office from 29th August 1876, from which date the Superintending Engineer appointed him after ascertaining from the Principal of the Civil Engineering College that the man was competent and eligible for an appointment of draughtsman in a Range Office, he stood 3rd out of forty-five persons who presented themselves at the last examination, and as the Examiner's objection is solely based upon the ground that Mr D'Monte should possess a 2nd-class certificate instead of the 3rd-class one, and as the draughtsman discharged his duties to the satisfaction of the Range Officer after he was appointed by a competent authority, I have the honor to request you will be so good as to obtain the sanction of Government to pass, as a special case, the draughtsman's pay, from 29th August 1876 to the date of his relief from his duties, at the rate of Rupees 29-12-0 per month, to which rate his 3rd-class certificate fully entitles him.

No 49-A. From Captain L CONWAY-GORDON, R E., Examiner of Public Works Accounts, to Major-General G W. WALKER, R E., Secretary to Government, Public Works Department, dated Fort St. George, 27th November 1876, No 302 W.

In returning the original letter from the District Engineer, Coimbatore, referred to me for report with your endorsement No. 1,730, dated the 21st instant, I have the honor to state that there appears to be no objection to the pay claimed on behalf of Mr D'Monte for the period he served as draughtsman in the Irrigation Division of the Coimbatore District being passed as a *special case* agreeably to the District Engineer's recommendation

No 50 ORDER THEREON, 1st December 1876, No. 3,255

ESTABLISHMENT, No 5.

A SPECIAL exception will be made in favor of draughtsman H D'Monte, whose pay, disallowed in G O, No. 2,938, dated the 2nd

November 1876, the Examiner is now authorized to pass

2 It is observed that the report prescribed in such cases as the present by G.O., No. 2,105, dated 14th August 1876, was not submitted by the District Engineer.
