Read the following papers :—

No. 83 From W A. GOODCHAP, Esq, District Engineer, Kurnool, to Lieut.-Colonel J. MULLINS, R E, Chief Engineer for Irrigation, dated Gazulapalli, 12th October 1876, No. 43

IN forwarding the enclosed statement for an additional allotment of Rupees 748 under "Minor New Works," I have the honor to report that the four works entered in the statement were sanctioned under head "Minor New Works," and expenditure incurred accordingly in 1875-76. On the issue of the classification of outlays recorded in G O, No. 325, dated the 7th February 1876, the Divisional Officer classed them in the current official year under head (1.A.) "Extension and Improvement," and funds were appropriated from the "Repair Grant," but the Examiner of Public Works Accounts has now decided to have the current year's expenditure charged to the grant of "Minor New Works," which renders the submission of this application necessary, as there are no funds available at the disposal of this office.

No. 83-A. From the Examiner of P. W. Accounts, dated Fort St. George, 1st November 1876.
