*Proceedings of the Madras Government, Public Works Department,
5th December 1876. No 3,293.*

No. 118. Read the following letter from A B SAMPSON, Esq, Under Secretary to the Government of India, Public Works Department, (Establishment—Irrigation,) to Major-General G W WALKER, R E, Secretary to the Government of Madras, Public Works Department, dated Fort William, 28th November 1876, No 255 E—I —

As it appears from your endorsement, No 2,429, of 13th September 1876, to the Examiner of Public Works Accounts, Madras, that Public Works Department letter, No 186 E—I, of 10th August 1874, sanctioning additional establishment for works in the Kimeddy Estate in the Ganjam District miscarried, I am directed to forward a copy of that letter

From the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated 10th August 1874, No 186 E—I

I AM directed to acknowledge the receipt of your letter, No 1,761-B, dated 30th June, applying for an addition to the existing Public Works Establishment on account of works in the Kimeddy Estate under the management of the Court of Wards in the Ganjam District

2 The Proceedings of the Government of Madras, forwarded with your letter under acknowledgment, show conclusively that great mismanagement has prevailed in the Kimeddy Estate, and the Honorable the President in Council has no hesitation in sanctioning the entire establishment now asked for in order to establish an efficient control over these works in future

3 As regards the subordinates in fault, it is presumed that their continuance in the service will not be allowed, but of this the Government of Madras must be the judge

4 I am to add that unless there be some good reason to the contrary, the cost of the whole of the new establishments should be charged to the Estate without reference to any percentage

5. This sanction is registered as No 33 of 1874-75
