*Proceedings of the Madras Government, Public Works Department,
6th December 1876. No 3,295.*

No 122 Read the following letter from Colonel C H DICKENS, R A, Secretary to the Government of India, Public Works Department, (Account—Guaranteed Railways,) to Major-General G W WALKER, R E, Secretary to the Government of Madras, Public Works Department, (Railway Branch,) dated Fort William, 30th November 1876, No 296 A—G R —

LAST year the Budget estimates of the Railways in Madras were received by the Government of India long after due date, in particular the estimates of the South Indian Railway. The delay caused very great inconvenience, and, with the view of avoiding a repetition, I am to request that his Grace the Governor in Council will be pleased to issue such instructions as will ensure punctuality in future. The forms in which the Budget estimates are to be rendered have been lately considerably simplified, and I am to express a hope that no delay may be allowed in their submission. The estimates are due in this office on the 15th December. The printing of the Madras Government Proceedings appear to take up some time, but it is so important to be exact to time that I am to request that the Budgets may be sent in manuscript if the printed copies (which can follow) are not ready at due date.

No. 123. ORDER THEREON, 6th December 1876, No. 3,295

RAILWAY, No 11

COMMUNICATED to the Consulting Engineer for Railways, who will use every endeavour to expedite the Budget estimates now due. There is little likelihood of the Budget estimates reaching the Government of India by the prescribed date if they are to be passed through the Press. It will therefore be necessary to forward them in manuscript. And with this view the Consulting Engineer will submit them in duplicate.
