*Proceedings of the Madras Government, Public Works Department,
7th December 1876. No. 3,309.*

No. 148 Read the following letter from J. O'SHAUGHNESSY, Esq, District Engineer, Nellore, to Major-General G. W. WALKER, R E, Secretary to Government, Public Works Department, dated Nellore, 29th November 1876, No. 153 —

In reference to G O, dated the 13th September 1876, No 2,431, I have the honor to report that there is a Government rent charge of Rupees 12-11-0 and road cess of Rupees 0-12-9 to be paid annually on Dr Iloyd's property at Koratur.

2 This amount (Rupees 13-7-9) is at 5 per cent equal to a capital charge of Rupees 269-11-0, and the actual cost of the property will therefore be Rupees 1,769-11-0 and not Rupees 1,500, though the latter sum is the amount to be actually paid.

3 I do not suppose that this will induce Government to withdraw the authority given in the above quoted order for the purchase of the property, but I think it right to report the matter and to ask for further orders, and I regret that it did not occur to me to inquire at first into the probability of such a charge having to be paid

4 In case the Government adhere to the former decision in the matter, I request to be informed if I may consider the funds to be allotted, and if I may complete the purchase of the property by paying for it without more delay.

5. I may mention that the building is occupied by the Range Office on the condition that a rent of 15 Rupees a-month is to be paid for it until the purchase is completed, but if this is done at once Dr Lloyd's agent will probably forego any claims on account of rent.

No. 149. ORDER THEREON, 7th December 1876, No. 3,309.

CIVIL WORKS, No. 8-D.

THE purchase should be completed at once and debited against the estimate for the Canal
