*Proceedings of the Madras Government, Public Works Department,
8th December 1876. No. 3,318.*

No. 166. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 24th November 1876, No. 5,310 —

I HAVE the honor to submit, for the approval* of Government, a detailed list (marked A) of new Police Works estimated to cost Rupees 54,000 proposed to be carried out during 1877-78, together with an abstract statement (marked B) showing the sums required for construction and repair in each district.

2 In compliance with the Orders of Government, No. 1,693, dated 5th July 1876, Public Works Department, paragraph 2, the usual annual proposals, amounting to Rupees 80,000, have been reduced to Rupees 77,000, and the latter amount has been divided as per margin between New Works and Repairs. A number of new works emergently required have been struck out of district schemes to reduce the total to the above limit

New Works	rs 54,000
Repairs	23,000
Total	77,000

3 The increased grant for repairs is urgently required, the number of buildings having become more numerous, the calls for repairs have, as a consequence, greatly multiplied of late years.

4 No funds have been reserved for Incomplete Works in 1877-78.

5. If the above proposals meet the approval of Government, I request that thirty spare copies of the printed lists with orders thereon may be furnished me for circulation to the District Officers concerned.

No. 167. ORDER THEREON, 8th December 1876, No. 3,318.

CIVIL WORKS, No 10

In G.O., No. 1,693, dated 5th July 1876, the Inspector-General of Police was informed that in future the Government would not be able to make so large a provision as Rupees 80,000 annually for Police Works. A sensible reduction in the proposals for next official year was accordingly expected. These however, as submitted by the Inspector-General of Police, aggregate Rupees 77,000 without taking into account prospective charges on account of Incomplete Works, which will amount to Rupees 14,170. Looking to the reductions made in the grant of Provincial Funds for Public Works, it will not be practicable to set aside a larger sum next year than Rupees 60,000 for Police Works, inclusive of Incomplete Works. The Inspector-General will revise his lists accordingly. None but sanctioned Major Works should be brought forward for appropriations of funds. The head-quarter office at Rajamundry will therefore be excluded.
