9th December 1876. No. 3,330.*

Read the following papers —

No 190. From Major H W. WOOD, R.E, District Engineer, Vizagapatam, to Major-General G W WALKER, R E, Secretary to Government, Public Works Department, dated Merdam, 18th November 1876, No 1,680.

In submitting herewith, for the information of Government, copy of a List of Disallowances, No. 376 of 1876, in which the pay of acting draughtsman K Nursimah Row was disallowed for reasons stated, I have the honor to bring to notice that the late District Engineer repeatedly applied to the Principal of the Civil Engineering College to send him a first or second class draughtsman from those passed out in May 1876 to

fill up the vacancy* in the Golgondah Range Office Colonel Rogers recommended one named H. DeMonte, who has obtained a third-class draughtsman's certificate, stating that there were no first or second class draughtsmen available for employment.

2. Immediately after I took charge of the district, I received an application from the Nursimah Row above referred to for the draughtsman's post in the Golgondah Range As this man has, though in possession of a third-class certificate only, acquired some experience in the department, I appointed him as acting draughtsman in preference to DeMonte, who is a fresh man from the college without any experience

3. The G O, No 580, dated 3rd March 1876, referred to in the Examiner's List of Disallowances is construed by this office as being applicable only to those appointments for which the candidates are required to pass the General Test, but if the Examiner's interpretation of the Government Order is correct, I request that you will be good enough, under the circumstances stated, to move Government to authorize the Examiner to pass third-class draughtsman's pay (Rupees 29) to Nursimah Row during the time he holds the acting post of second-class draughtsman.

No. 190-A. From the Examiner of Public Works Accounts, dated 4th December 1876.

No. 191. ORDER THEREON, 9th December 1876, No. 3,330.

ESTABLISHMENT, No 19.
