No 192      Read the following letter from Captain L. CONWAY-GORDON, R E,  
Examiner, Public Works Accounts, to Major-General G W. WALKER, R E,  
Secretary to Government, Public Works Department, dated Fort St. George,  
1st December 1876, No 310 W —

WITH reference to G O, No 2,726, dated 11th October 1876, I have the honor to submit, for the orders of Government, the accompanying correspondence between this office and the District Engineer, Ganjam, in respect to his services in the Godavery District prior to his resignation in 1863 being allowed to count towards pension

2      It will be observed that, in this office letter No 87 G N, of the 30th October 1876, Mr. Harris was informed that as his resignation of the public service in 1863, and re-appointment thereto in 1866, was unconditional, his service towards pension could only count from the date (8th June 1866) of his rejoining the Public Works Department in the Godavery District

3      Mr. Harris now requests that his case may be again laid before Government, and that his claim to count service prior to resignation in 1863, and during employment in the Orissa Irrigation Company, may be favorably considered

4.      There is no rule, so far as I am aware, under which Mr Harris can be allowed to count his service towards pension while under the Orissa Irrigation Company. As regards his previous service under Government, it will be seen on reference to section 45 of the Civil Pension Code that as he resigned subsequent to 8th June 1863, he forfeited the whole period.

With reference to paragraph 2 of your letter, No 49, of the 6th September 1876, printed with G O, No 2,726, dated 11th October 1876, I have the honor to state that as it appears from the copies of orders furnished to this office with the Government Order that your resignation in 1863 and re-appointment in 1866 was unconditional, your services towards pension can only count from the date (8th June 1866) of your rejoining the department in the Godavery District.

From T D HARRIS, Esq, District Engineer, Ganjam, to Captain L CONWAY-GORDON,  
R E, Examiner of Public Works Accounts, dated Ganjam, 16th November 1876,  
No 65

WITH reference to your No 87 G N, dated 30th October 1876, regarding my service, I beg to point out that by the G O, No 2,726, dated 11th October 1876, I am under the impression that my service in Orissa only cannot be reckoned towards pension under Government. Surely my long and faithful service in the Godavery District will not be lost to me, mine was no ordinary service, and I beg you will lay the case again before Government for their most generous consideration, even my service in Orissa was in the interests of the State and people, and I still venture to hope that it may be reckoned towards pension under Government
