*Proceedings of the Madras Government, Public Works Department,
14th December 1876. No. 3,423.*

No. 361. Read the following letter from Major C. J. SMITH, R.E., Officiating Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department; dated Madras, 9th September 1876, No. 452 :—

WITH reference to the Order of Government, dated 20th June 1876, No. 1,538,
• With Plan No. 959, return requested. I have the honor to submit for approval an estimate,* amounting to Rupees 4,617, for the boundary wall for the new play-ground to be made over to the Civil Orphan Asylum.

2. On receipt of the Proceedings of Government, under date 27th July 1876, No. 1,907, I addressed the Secretary of the Asylum regarding the additional work for which the Government admit their liability, and a few days ago the Deputy Consulting Engineer met the Directors on the ground. The enclosed letter* from the Secretary

* Dated 8th September 1876. particularises the requirements which it is considered may fairly be met, and the cost of the works, inclusive of the somewhat expensive boundary wall, will be inconsiderable.

3. The wall, the removal of which is desired, extends from A to B on plan, and the drain to be improved lies on the opposite side of the roadway. A small bank might be thrown up on the south side to prevent the drainage water overflowing the play-ground. There are a few low places in the latter where rain water at present stands, and it seems necessary only to raise slightly these hollows.

From Mr. C. HALL, Secretary to the Civil Orphan Asylums, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 8th September 1876.

I AM desired to return the plan and estimate received with your No. 1,146, dated 31st ultimo, and, in accordance with the request contained in the 2nd paragraph thereof, to state that the following necessary works should be carried out :—

1st.—That the boundary wall be built as marked by dotted lines in the plan.

2nd.—That the present wall running parallel to the road be removed.

3rd.—That the play-ground be slightly raised and levelled.

4th.—That the drain along which the surface water passes be deepened and the sides repaired, particularly the south bank.

No. 362. ORDER THEREON, 14th December 1876, No. 3,423.

RAILWAY, No. 37-A.

THE estimate, amounting to Rs. 4,617, for the erection of the new boundary wall to the Asylum play-ground is sanctioned for execution by the Railway authorities; funds being provided from the grant for State outlay in connection with Guaranteed Railways.

2. The other works enumerated in the letter from the Secretary to the Committee should be separately estimated for and carried out.

Proceedings of the Madras Government, Public Works Department,
14th December 1876. No. 3,423.

3. This sanction has been registered as Railway No. 31 W. of 1876-77.
