Proceedings of the Madras Government, Public Works Department,
15th December 1876. *No.* 3,431.

No. 374. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 7th December 1876, No. 600 :—

WITH reference to the Proceedings of Government, No. 107, dated 17th November 1876, I have the honor to state that the Agent of the Madras Railway accepts, on behalf of his Company, the form of credit notes forwarded therewith.

2. The Agent of the South Indian Railway writes as follows :—

"I shall have pleasure in arranging to receive such warrants in lieu of cash payments, but I am unable to quote any reductions in the present very low ordinary fares as far as this line is concerned.

"It is now too late to make arrangements with the northern Railway Companies for the issue from stations on this line of through return tickets. I would therefore suggest that two warrants be issued, one for the South Indian line the other for the remaining portion of the route; or, if that is inconvenient, a pass could be issued by the South Indian booking-clerk in exchange for the warrant; and this pass could be exchanged at Erode for a through ticket."

3. I solicit the orders of Government on this subject. There seems to be no objection to the arrangement proposed by the Agent.

4. Mr. Betts wishes also to know whether the warrants are intended to be issued to gentlemen who are not members of the Military and Naval services.

No. 375. ORDER THEREON, 15th December 1876, No. 3,430.

ORDERED to be recorded and forwarded for the information of the Government of India.

2. The arrangement proposed by the Agent of the South Indian Railway for issuing passes to Erode, where they will be exchanged for through tickets, is accepted.
