Sir,

In reply to your letter received this morning, we beg to say that the clock for the Registrar of Madras, was ordered to be included in the contract under a letter signed by the late Col Alex. Stewart, No 2106, dated 5th August 1873.

For the clock with the Registrar of documents in Black Town, we cannot place our hands on the order, but we know that it was some time previously to the foregoing clock - probably two years.

The two clocks in the Town Police Court are wound under instructions from the District Engineer by clock No 577 dated 9th May 1876.
