*Proceedings of the Madras Government, Public Works Department,
18th December 1876. No. 3,469.*

No. 442. Read the following letter from Major J. O. HASTED, R.E.,
Superintending Engineer, Kistna, to Major-General G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated Masuli-
patam, 8th December 1876, No. 113 :—

Among the military buildings in the cantonment of Masulipatam, handed over
to the Police Department, is a solitary cell which has never been made use of, and
consequently is falling into decay. I proposed to the Superintendent of Police that it
should be demolished, and he consented, but I was then asked by the Municipal
Commissioners to hand the building over to them as a powder magazine.

2. I have been informed that the Police Superintendent consents to give up
the building to the Municipal Commissioners, and as I see no objection to their
making use of it, I have the honor to suggest that Government may be requested
to transfer the building to the Municipality.
