*Proceedings of the Madras Government, Public Works Department,
18th December 1876. No. 3,473.*

No. 450. Read the following letter from W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bellary, 11th December 1876, No. 3,815:—

I HAVE the honor to submit, for the consideration and orders of Government the accompanying letter from Mr. P. O'Ratigan, Executive Engineer in charge of Ghooty Range, with the Examiner's Disallowance List, having reference to claims to mileage, &c., for the journey performed by Mr. O'Ratigan from Madras to Bellary on account of his transfer to the latter district.

2. I beg to state that Mr. O'Ratigan is, in my opinion, entitled to the re-imbursement of the charges incurred by him for the carriage of his horse to Bellary, for had that officer arrived here without the means of getting about the district his time would have been wasted, and very considerable inconvenience to the public service would have been caused, as he arrived in the very midst of famine relief operations here.

3. Travelling allowance might also be passed to him for the four days (from 21st to 24th September) he remained at Bellary, awaiting the receipt of orders from me which were sent to him as soon as it was possible to do so.

From P. O'RATIGAN, Esq., C.E., Executive Engineer in charge of Ghooty Range, to W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, dated Ghooty, 5th December 1876, No. 1,575.

I HAVE the honor to submit the enclosed disallowance statement for September, from which it will be seen that the Controller states that he is unable to pass Rupees 111-1-6 of my claim for travelling allowance, &c., in that month, and shall feel obliged by your laying the matter before Government for consideration and orders.

2. As will be observed from a perusal of the disallowance statement, the Controller has even refused to pass my daily allowance for the days I remained at Bellary awaiting orders from you, and he also states that he is unable to pass the railway fare of my horse, although without the same I would have been unable to move about when I did get to Ghooty.

No. 451. ORDER THEREON, 18th December 1876, No. 3,473.

ESTABLISHMENT, No. 35-A.

The indulgence requested by Mr. O'Ratigan cannot be granted.

2. Not only was his transfer not made for the public interest—in which case alone could such claims as those now preferred be favorably entertained—but it was made at considerable inconvenience to it, and solely for the benefit of Mr. O'Ratigan's health.

3. The Examiner's disallowance will therefore hold good.
