*Proceedings of the Madras Government, Public Works Department,
8th February 1876.*

No. 131. P. following Proceedings of the Madras Government in the
Department, dated 3rd February 1876, No. 151 :—

Proceeded the Board of Revenue, dated 20th January 1876, on letter from
Mr. W. WILSON, on special duty, dated 3rd January 1876.

I HAVE the honor to propose the following establishment for the preparation of
the Revenue Accounts of Irrigation.

The cost is Rupees 757 a-month—

	RS.
(1.) Manager	250
(2.) Four Accountants at Rupees 70, 50, 40 and 30	190
(3.) Two English Clerks at Rupees 50 and 35	85
(4.) Two Vernacular Clerks at Rupees 50 and 35	85
(5.) Attender	10
(6.) Mooches	12
(7.) Duffadar at Rupees 12, and six Peons at Rupees 7 each	54
(8.) Masalchee	6
(9.) Sweeper	5
(10.) Dresser	60
Total	757

2. The complicated and intricate nature of the work to be done makes it imperative that I should have, as chief of my staff, a man of experience and proved capacity. I have to suggest therefore that the services of Jiddoo Lakshmikanta Row, the man who is, in my opinion, best fitted for the task, be made available for this duty. The present salary of this officer as Uncovenanted Assistant to the Director of Revenue Settlement is Rupees 500, with travelling allowance at the rate of Rupees 5 a-day. I would propose that while employed on this duty he be graded as a Deputy Collector (supernumerary, if necessary) of the 1st-class. His pay would then be Rupees 600 a-month, with travelling allowance at the rate of Rupees 3 a-day. The total of his pay and allowances would then be at most Rupees 693 a-month, a sum not much in excess of the present maximum (Rupees 655) of his pay and allowances.

3. The pay, Rupees 250 a-month, which I have proposed for the office of Manager would probably cover the extra expense to Government that would be incurred by J. Lakshmikanta Row's deputation on the duty, and is not, should that officer's services be denied me, too much to pay for the services of a thoroughly competent man.

4. The only other member of the proposed establishment, whom I consider it necessary to allude to particularly, is the Dresser. So far as I can judge at present the main part of the work to be done can be done only at the head-quarters of each of the Delta taluqs in tour. My stay at these outlying stations may be prolonged. I must therefore have a Dresser.

*Proceedings of the Madras Government, Public Works Department,
8th February 1876.*

SUBMITTED for the orders of Government.

The Board would allow the following scale:—

	RS.
Manager	250
Four Accountants at Rupees 50, 25, 25, 25	125
Two English Clerks at Rupees 35, 25	60
Two Vernacular Clerks do. do.	60
Attender	8
Moochee	10
Six Peons	42
Masalchee	6
Sweeper	5
Total per mensem	566

The Board do not think a Dresser necessary. The sum allowed for a Manager should cover all extra charge to the State in the case of Lakshmikanta Row's services being spared, as to which the Director of Revenue Settlement is requested to report.

(Signed) H. E. STOKES,
Acting Secretary.

THE Governor in Council sanctions Mr. Wilson's application. The charge should be reported to the Government of India by the Public Works Department.
