Read the following papers:—

No. 471. From Major H. L. PRENDERGAST, R.E., District Engineer, North Arcot, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 3rd August 1876, No. 1,451.

I HAVE the honor to submit, for the sanction of Government, a plan and estimate, amounting to Rupees 100, for raising the compound wall from $4\frac{1}{2}$ to 6 feet in height round the subsidiary jail at Poonganoor.

One Plan.
One Detailed Estimate.
One Abstract do.
One Specification Report.

2. The estimate was called for by the Collector for this subsidiary jail as well as for that at Wandewash, sanction for the latter having been already given in G.O., No. 1,713, of the 5th July 1876.

3. The small grant* for Minor New Works under Civil Buildings is already appropriated, and will have to be supplemented later in the year to provide the amount now required.

* Rupees 400.

4. I request that the plan and estimate may be returned when no longer required.

No. 471-A. From the same Officer, dated Vellore, 14th September 1876, No. 1,922.

WITH reference to your memorandum No. T-729, dated 10th ultimo, I have the honor to submit for the sanction of Government an estimate, amounting to Rupees 169, for raising the compound wall

from $4\frac{1}{2}$ to 6 feet in height round the subsidiary jail at Poonganoor; separate provision having been made for scaffolding and sundries.

2. After the original estimate of Rupees 100 was submitted in my letter No. 1,451, of the 3rd August, the Range Officer applied for funds for compensation for land taken up for the building. The amount of compensation, Rupees 64, has therefore been included in the present estimate.

3. I request that the enclosures may be returned when no longer required.

No. 471-B. From the same Officer, dated Vellore, 29th November 1876, No. 2,779.

WITH reference to your memorandum No. T-988, dated 19th September 1876, I have the honor to submit a site-plan, countersigned by the Collector, showing the extent of land taken up for the Sub-Magistrate's Cutcherry at Poonganoor.

2. The amount of the bill for compensation is Rupees 63-2-4, and includes Rupees 11-2-4 for land and Rupees 52 for buildings and trees, but was not included, as it should have been, in the original estimate sanctioned in G.O., No. 30, of 6th July 1874. The land was taken in possession under the authority of the Collector.

3. The bill was received from the Collector in December 1875, and transferred to the Examiner of Public Works Accounts for audit and adjustment. The amount was disbursed in the Revenue Department in May 1876, but as this item was not provided for in the original estimate, the amount was brought forward in the new estimate of Rupees 169 sent with my letter No. 1,922, dated 14th September 1876.
