Sir. We have the honor to acknowledge the receipt of your No. 1877 of the 11th instant, and we return herewith the two tenders, you forward, and their respective samples.

Bussell's Aberchmudi tender is quite out of the question - the rate being too high, and the conditions being too unfavorable.

Chackalamm Pillay's tender to supply Rice of 1st sort at Rs 9.9.6 per bag of 164 lbs is on the whole not unfavorable, and we recommend its acceptance. Care should be taken that only the stipulated quality, as per sample, is delivered.

We do not think Rs 500 security at all enough. We would recommend the

a deposit of one Rupee per bag at least.
