*Proceedings of the Madras Government, Public Works Department,
27th December 1876. No. 3,542.*

Read the following papers:—

No. 581. Proceedings of the Madras Government in the Revenue Department, dated 7th October 1876, No. 1,440.

Proceedings of the Board of Revenue, dated 28th September 1876, Mis. No. 8,291.

Read again letter from the Accountant-General, dated 26th June 1876, No. 3,099, recorded in Board's Proceedings, dated 31st August 1876, Mis. No. 7,441.

Read also Board's Proceedings, dated 20th July 1876, No. 6,151, and the Accountant-General's letter, 22nd July 1876, No. 3,987; also the Order of Government of India, dated 8th May 1876, No. 171.

THE above papers relate to the grant of deputation allowances to officers acting for absentees on privilege leave on receipt of Rupees 100 a-month and more.

2. In the Notifications, dated 13th April and 24th August 1869, the Government directed that their sanction should be obtained for arrangements involving additional expenditure to the State consequent on the grant of leave to uncovenanted officers. Ever since, applications for deputation allowances in such cases have been submitted for the sanction of Government even after the revised Acting Allowances Code came into operation. In the first of the letters quoted at the head of these Proceedings the Accountant-General informed the Board on the 26th June 1876 that the sanction of Government was not necessary for passing deputation allowances in cases in which the pay of the absentee exceeds 100 Rupees a-month, as Section (1) b, Supplement F, and the proviso under Section 22 of the Acting Allowance Code, do not apply. On being asked on what recent authority his opinion was based, the Accountant-General referred to the Orders of the Government of India, dated 8th May 1876, No. 171.

3. The communication quoted is not a direct ruling on the point in the order quoted, but the Board consider that an application to Government for deputation allowance in each case may be dispensed with. The provisions of the Leave and Acting Allowance Codes authorize the payment of deputation allowance to officers acting for absentees on privilege leave in receipt of salaries in excess of Rupees 100, and applications for the same are now merely formal.

4. Under the circumstances, the Board request the orders of Government as to whether instructions may be issued that when privilege leave is granted to subordinates drawing Rupees 100 and more deputation allowance may be granted to the acting incumbents under the rules without any application to Government.

Acting Secretary.

and sanctioned.

*Proceedings of the Madras Government, Public Works Department,
27th December 1876. No. 3,542.*

No. 582. From Captain L. CONWAY-GORDON, R.E., Examiner, Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 7th December 1876, No. 318 W.

I HAVE the honor to request that with the approval of Government you will inform me whether the Orders of Government in the Revenue Department, No. 1,440, of the 7th October 1876, are to be regarded as applicable to the Public Works Department.

2. These orders have been referred to by the Chief Engineer for Irrigation in support of a claim to deputation allowance made on behalf of one of the Accountants appointed to act for another drawing Rupees 130 per mensem, during the latter's absence on two months' privilege leave; and the claim has been admitted, pending receipt of orders from Government in the Public Works Department for the admission of such charges.

No. 583. ORDER THEREON, 27th December 1876, No. 3,542.

ESTABLISHMENT, No. 39.

THE deputation allowance referred to in the above correspondence, which was claimed on behalf of one of the clerks in the Office of the Chief Engineer for Irrigation, is clearly authorized by Section 20 (B) of the Acting Allowance Code.

2. To avoid all unnecessary references, the Examiner will in future dispose of all personal claims submitted to him in strict accordance with the Codes of the Financial Department.

Please look within.
Is it not the fact that
the leave & Acting Allowance
Code authorises the
payment made —
in respect of any

Yes. The Financial Codes do
authorize the payment, and
anywhere else. Such a reference
would not have been thought of.

The usual practice is to
follow the codes strictly, regarding
all orders of the Local Govt as
complementary to the codes, but in

In order the practice seems to
be to follow the last G.O. that
can be found bearing on the
subject, & only to consult the
Codes when this source of supply
like the tanks in Bellary at
the present time, is found dry.

I should much like to
draft for approval a G.O. in
my own letter with effect that
the Commr. in future will regulate
all questions of salaries and

Let us have the draft by

P.W. Code there is the difficulty
