*Proceedings of the Madras Government, Public Works Department,
11th February 1876.*

No. 163. Read the following letter from Major J. O. HASTED, Superintending Engineer, 1st Division, Kistna, to Lieutenant J. MULLINS, R.E., Chief Engineer for Irrigation, dated Kistna, 22nd January 1876, No. 123 :—

In G.O., No. 478, dated 25th February 1874, a sum of Rupees 2,600 was sanctioned for the purchase and repair of a

rest-house at Gudivada, and during the official year 1873-74 the house was purchased at a cost, including registration fees, of Rupees 2,025.* The repairs have been carried out this year, and, as it was found on taking off the roof that more work was required than that originally anticipated, the Range Officer has submitted a revised estimate of Rupees 850 for the repair of the house. The total cost of the

rest-house therefore will be Rupees 2,875, and I have to ask for sanction to an expenditure of Rupees 275 in excess of the sum placed at my disposal in the Government Order referred to.

Account.

The revised estimate amounting to Rupees 2,875 for the Gudivada rest-house, Eastern Delta, Kistna, is sanctioned, and the allotment of Rupees 207 required

to adjust the expenditure of the current year will be made available as proposed by transfer from the Sivagunga drainage, Item No. 11 of the current year's Budget, Part III., though the Government regret to find that this drainage channel which was sanctioned so far back as September 1874 will, it is expected, not be completed this year.

2. The new classification laid down in Proceedings Madras Government, 10th July 1875, No. 1,968, does not provide for any charges to the Eastern Delta generally, and therefore the Gudivada rest-house must be deemed to appertain to the Ryves' canal, of the cost of which it will form a part under K. Buildings.

3. The sanction accorded in paragraph 1 has been registered as Irrigation No. 7 W. of 1875-76.
