Public Works DEPARTMENT

G.O. No.	36	(W)	Press
B.P. No.			M
Dated	6-1-	1876.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
6th January 1876.*

No. 71. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 6th November 1875, No. 3,204:—

ADVERTING to G.O., No. 2,956, of 15th ultimo, I have the honor to submit herewith a statement showing how the reduced current year's allotment of Rs. 7,000 for the Tiroomal Naick's Palace is proposed to be utilized by Executive Engineer Mr. Paynter in charge of Madura Range, and to request that the proposal may be sanctioned as soon as possible to enable us to utilize allotments in full.

No. 72. ORDER THEREON, 6th January 1876, No. 36.

CIVIL WORKS, No. 2.

THE District Engineer of Madurt was not called on in the Government Order which he quotes to make out a statement of the manner in which the reduced allotment of Rupees 7,000 for the Madura Palace Works should be utilized this year. He was already instructed by G.O., No. 1,587, of 5th June, to appropriate Rupees 1,917 for completion of the iron ties, and to carry out the Racket Court to completion with the remainder of the money; and as Rupees 576 of the sanction of Rupees 5,030 given in G.O., No. 1,118, of 20th April, had been spent up to 31st March, Rupees 4,454 would be required in the current year; leaving only a balance of Rupees 549 available, which will be more than absorbed by the payment ordered in G.O., No. 3,311, of 19th November. But whatever excess may be necessary to complete the Racket Court within the year will be incurred by the District Engineer, who will report the exact amounts to be made up when sending in the annual statement of demands and savings after the outlay up to 31st December has been ascertained.
