*Proceedings of the Madras Government, Public Works Department,
7th January 1876.*

No. 73. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department (Account-General), to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 15th December 1875, No. 814 A.—G.:—

I AM directed to acknowledge the receipt of your letters, No. 2,640 of the 13th and 2,721 of the 20th September last, furnishing explanation of the apparent high cost of quarters for Military Subordinates at Cannanore, and of the amount of rent paid for hired quarters for them, and in reply to state as follows.

2. The cost of the quarters having been Rupees 9,222, the charge to the State for interest and repairs is at 6 per cent. Rupees 46 per mensem, and at 10 per cent. (at which the returns from property are usually calculated) Rupees 77 per mensem, whereas the rent paid previous to the construction of the quarters was only Rupees 10 per mensem. The buildings having been constructed, the excess charge cannot be avoided; but I am to request that in all future applications for providing public quarters, the financial effect may invariably be considered before effect is given to the application.

No. 74. ORDER THEREON, 7th January 1876, No. 37.

ACCOUNT, No. 4-A.

COMMUNICATED to the Military Department with remark that the ruling of the Government of India appears absolutely to negative the construction of special quarters for Military Subordinates; except where hired buildings cannot be rented cheaply and sufficiently near their work.
