*Proceedings of the Madras Government, Public Works Department,
14th February 1876.*

No. 221. Read the following Proceedings of the Madras Government in the Revenue Department, dated 5th February 1876, No. 318 :—
Proceedings of the Board of Revenue, dated 24th January 1876, Miscellaneous No. 669.

Read statement of remuneration in land or otherwise proposed to be given to Inamdars in lieu of their inams which have become unprofitable by an act of Government in Godavery district.

Read also letter from Collector of Godavery submitting claim of Vadrevu Venkatanarasimharow, &c.

In lieu of acres 2.65 assessed at Rupees 10-9-7, inam land taken up for Irrigation Works, the Board sanction as compensation a fresh assignment of acres 2.65 assessed at Rupees 10-9-7.

2. The land in this case was taken up in proportions from faslis 1271 to 1275, but was rendered wholly unfit for cultivation in fasli 1276. As, however, the application for compensation was not presented till fasli 1281, the Collector recommends money compensation for mesne profits only from that fasli.

3. The Inamdar having cultivated nearly the whole of the land from faslis 1271 to 1275, a claim to compensation arose only in fasli 1276, when the land was rendered wholly uncultivable; that claim could not be set aside by the Collector's Notification of the 6th April 1867, which referred only to lands taken up previous to fasli 1275.

4. The Board are therefore of opinion that the Inamdar is entitled to the compensation he claims, amounting to Rupees 95-6-3, at Rupees 10-9-7 per annum from faslis 1276 to 1284, and request the sanction of Government for the disbursement of this sum from Imperial Funds.
