DEPARTMENT

G.O. No.	411	(w)	Press
B.P. No.			Mis.
Dated	15-2-		1876.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
15th February 1876.*

Read the following papers :—

No. 263. From Captain J. L. L. MORANT, R.E., District Engineer, Nilgiris, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Ootacamund, 17th January 1876, No. 13.

With reference to Public Works G.O., No. 3,610, of the 24th ultimo, I have the honor to submit for orders the following plans and estimates :—

	Estimated Cost. Rs.
For 1 hut at Kulhuttiy	620
„ 3 huts at Musnacovil	1,510
„ 2 „ at Pykara	940
„ 3 „ at Nedivuttum	1,790
Total	4,860

The amounts entered in the figured statement accompanying the letter from the Inspector-General of Police have been obtained without any reference to this department, and apparently without any consideration of the cost of similar huts in the district. During the current year four Police huts have been erected on a sanctioned estimate at Nedivuttum at a cost of Rupees 585 per hut, whereas the huts in the statement under reference cost Rupees 176 per hut. I observe the cost entered in the Inspector-General's letter is the same as that of the huts in the Coimbatore district. To any one conversant with the rates in the two districts this is obviously absurd. I beg in conclusion to respectfully refer you to my letter printed with Public Works G.O., No. 859, of the 26th March 1874.

No. 29.

TRANSFERRED to the Inspector-General of Police for disposal.

(Signed) G. W. WALKER, Major-General, R.E.,
Chief Engineer, Public Works Dept.

22nd January 1876.

No. 264. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 9th February 1876, No. 618.

With reference to Chief Engineer's endorsement, No. 29, of 22nd ultimo, on the Nilgiri District Engineer's letter,* dated

* Forwarded herewith.

17th idem, No. 13, I have the honor to submit, for sanction of Government, the Department of Public Works plan and estimate, amounting to Rupees 1,510, for three huts at Musnacovil in the same district, the work being most emergently required.

2. The plans and estimates for the other buildings have been retained in the district for want of sufficient funds during 1876-77.

3. The approximate cost entered in the lists embodied in G.O., No. 3,610, dated 24th December 1875, Public Works Department, was according to ordinary rates in the Coimbatore district. The estimated cost (Rupees 1,510) now required for the Musnacovil huts, though apparently excessive, being nearly three times the amount originally entered, is necessary in an exceptional district like the Nilgiris, as pointed out by the District Engineer.

*Proceedings of the Madras Government, Public Works Department,
15th February 1876.*

4. The charge can be met from the Department of Public Works Budget grant (Rupees 1,580) of the district for 1876-77, and the balance (Rupees 70) will be utilized elsewhere in due course.

No. 265.

ORDER THEREON, 15th February 1876, No. 411.

CIVIL WORKS, No. 11.

* Rupees 1,580.

THE plan with estimate, amounting to Rupees 1,510, for the construction of three Police huts at Musnacovil in the Nilgiri district are sanctioned for execution in 1876-77 from the total grant* for Police buildings in that district.

2. This sanction has been registered as Provincial, No. 8 W of 1875-76.
