*Proceedings of the Madras Government, Public Works Department.
17th February 1876.*

No. 291. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 11th February 1876, No. 82:—

From W. R. ROBINSON, Esq., Acting Chief Engineer, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, dated Madras, 10th February 1876, No. 126.

THE Resident Engineer, 4th Division, South-west Line, reports that two laterite stones, measuring respectively 11" x 10" x 8" and 11" x 8" x 7" were placed on the rails at 399/2 to 3* on the night of 6th instant.

* Between Perpungady and Beypoor.

2. The stones were found by the line watchman on the morning of 7th and were removed by him.

3. The Police have been informed of the occurrence and the stones have been handed over to them. The Resident Engineer has written to the Assistant Collector asking him to issue special orders on the subject.

No. 146.

To the Consulting Engineer for Railways for information.

(Signed) R. B. ELWIN,

The Agent and Manager

Dear Sir,

The Resident Engineer 4th Division South West Line reports that two laterite stones measuring respectively 11" x 10" x 8" and 11" x 8" x 7" were placed on the rails at $\frac{399}{263}$ on the night of 6th instant.

The stones were found by the line Watchman on the morning of 7th and were removed by him.

The Police have been informed of the occurrence and the stones have been handed over to them. The Resident Engineer has written to the Assistant Collector asking him to issue special orders on the subject.

Yours faithfully
sd/ W. R. Robinson
Acting Chief Engineer
