*Proceedings of the Madras Government, Public Works Department,
8th January 1876.*

No. 91. Read the following letter from J. MAY, Esq., Superintendent, Madras Harbour Works, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 8th January 1876, No. 35 G. :—

I HAVE the honor to report that there is an objection at the India Office to sanctioning materials which Mr. Parkes proposes to send out for these works, and, particularly now, as regards 7,200 tons of Portland Cement which he has asked permission to order before 31st December next.

2. Mr. Parkes writes to me, under date 19th November last, that applications by him to the India Office for materials and plant should be accompanied by an indent from the Government of Madras. I beg you will move this Government to sanction the cement in question, and that the India Office may be telegraphed to the following effect, the form of message being given to me by Mr. Parkes :—

“Cement as recommended by Parkes to you applied for by May and sanctioned by this Government.”

3. I presume from this that it may be best in future to address such applications to you from this office, that the necessary authority may be forwarded to the India Office respecting them.

No. 92. ORDER THEREON, 8th January 1876, No. 46.

ACCOUNT, No. 5.

THE Superintendent of Works, Madras Harbour, will in communication with the General Superintendent of Public Works

Stores submit an Indent in the prescribed form for the cement required and for all stores required from England in future. Meanwhile the Secretary of State will be telegraphed to in the terms proposed.
