PUBLIC WORKS DEPARTMENT,
FORT ST. GEORGE, 23rd February 1876.

No. 435.

No. 497.

FROM

MAJOR-GENERAL G. W. WALKER, R.E.,
Secretary to the Government of Madras,
Public Works Department,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

ESTABLISHMENT, No. 29.

SIR,—I am directed to forward to the Government of India copy of Proceedings, No. 3,373, dated 24th

November 1875, in which for the reasons explained by Major Scott in his memorandum recorded therewith, the Governor in Council has considered it necessary to attach to the Chief Engineer and Secretary in the General Branch, and to the Chief Engineer and Joint Secretary in the Irrigation Branch of the department professional Assistants with a suitable office establishment. The necessity for the change introduced has, in the opinion of the Governor in Council, been clearly and conclusively shown; while the arrangement is in consonance with the views of the Government of India as expressed in their letter, No. 635, dated 8th May 1872, reviewing the existing organization of the department.

2. It will be observed that no additional outlay is at present involved, the establishment of the Secretariat being strengthened by absorption (subject to future modifications) of the extra establishments which were allotted to Superintending Engineers on the temporary abolition of the offices of Inspecting Engineers, as explained in my letter, No. 1,474, dated 4th June 1874. As, however, the effect of the arrangement will be to transfer to Imperial Funds the cost of the Deputy Chief Engineer for Irrigation and of the additional office establishment to be attached to the Irrigation Branch, the sanction of the Government of India is apparently necessary to the scheme, and this sanction I am now to solicit.

3. The usual tabular statement is submitted.

I have the honor to be,

Sir,

Your most obedient servant,

Major-General, R.E.,
Secretary to Government.
