*Proceedings of the Madras Government, Public Works Department,
25th February 1876.*

No. 471. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 19th February 1876, No. 3,970:—

I HAVE the honor to request the sanction of Government to the pay of Overseer Balasoondra Moodelliar, from the 1st January until the date of his taking charge of his present appointment in the Salem District, being passed against the regular Public Works Establishment.

2. Under O.G., No. 2,558, of 8th September 1875, this Overseer became a supernumerary, and his place in this district was permanently filled up. On his return from duty under the Court of Wards, application was made to the Chief Engineer for instructions as to his future employment, and orders were given (Chief Engineer's memorandum No. 77 of 15th ultimo) for his transfer to the Cuddapah District; but, in the meantime, an offer of employment in the Salem District was received, and he was allowed to accept this in anticipation of the Chief Engineer's approval as explained in this Office No. 3,789, of 5th instant.

3. Pending settlement of the question of his future employment, he was employed on general duty under the orders of the Executive Engineer, Chittoor Range, and the Controller states that the sanction of Government will be necessary to the passing of his salary for that period, as he was in excess of the sanctioned strength for this district.

No. 472. ORDER THEREON, 25th February 1876, No. 518.

ESTABLISHMENT, No. 34.

THE application is sanctioned, as Overseer Balasoondra Moodelliar was not in excess of the total strength of the establishment, and was fully qualified.
