*Proceedings of the Madras Government, Public Works Department,
25th February 1876.*

No. 473. Read the following letter from Captain L. CONWAY-GORDON, R.E.,
Controller of Public Works Accounts, to Major-General G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated Fort St.
George, 19th February 1876, No. 256 W :—

I HAVE the honor to bring to the notice of Government that the grants under the
head of Service, Imperial, Military, stand as follows :—

	rs.
Original Works	3,87,500
Repairs	2,46,500
Total Works ...	6,34,000
Establishment	1,51,000
Total Budget ...	7,85,000

The establishment charges on the above grant for works would be Rs. 1,58,500,
whereas the actual grant as shown above is only Rupees 1,51,000.

2. I have the honor to inquire whether, in the event of your anticipating that
the whole grant will be expended, it would not be advisable to apply for a transfer of
Rupees 6,000 from the grants under works to that under establishment, so that the
grants would stand as below :—

	rs.
Works	6,28,000
Establishment	1,57,000
Total as before ...	7,85,000

the grant for establishment being exactly 25 per cent. of that for works.

No. 474. ORDER THEREON, 25th February 1876, No. 519.

ACCOUNT, No. 21.

It is anticipated that the Military
grants for New Works and Repairs will be
exceeded, and that appropriations will
have to be made from the amount available by fluctuations of stock. And any extra
charge for establishments should be met from the same source. It does not seem
necessary to make an application for transfer till the exact amounts are known, when
the requisite adjustments of accounts can be made.
