ESTABLISHMENT, No. 34-A.

The District Engineer, Godavery, will entertain a temporary establishment on the scale proposed when it may be necessary that the additional Assistant Engineer placed at his disposal should have the assistance of a writer. But at first it is not considered that his clerical work will be more than he can manage himself with assistance from the range or sub-divisional office to which he may be attached. But he will always require a couple of lascars.
