*Proceedings of the Madras Government, Public Works Department,
28th February 1876.*

No. 529. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 18th January 1876, No. 246 :—

WITH reference to Government Order noted in the margin, I have the honor to point out that a mistake appears to have been made in allotting funds in the Public Works Department for Police buildings.

2. Rupees 52,822, the amount required for new works to be erected by Public Works Department agency, is passed and provided for in the Provincial Budget, but the whole of the money required for repairs of stations, &c., and for building huts and stations by Police Departmental agency is provided for by the appropriation of Rupees 30,000 from the Police Lodging Fund, which would leave a balance of Rupees 5,143 only available to meet all charges for repairing huts.

3. The estimated balance available and receipts of Lodging Fund for the coming year was Rupees 35,143, while the probable charges were estimated at Rs. 30,000. This included Rs. 21,000 for repairs of huts occupied by Police Constables calculated on the average of previous years. Deducting this amount only Rupees 14,143 remained, of which the Inspector-General estimated Rupees 9,000 would be required for building huts in remote districts and meeting unforeseen emergent calls for buildings.

4. Rupees 21,000 will be required on account of repairs of huts during the ensuing year, to meet which, under existing orders, there remains only Rupees 5,143, the balance of the fund ordered to be left intact, and nothing is available for providing shelter in emergent cases hitherto provided for from this source.

No. 530. ORDER THEREON, 28th February 1876, No. 549.

ACCOUNT, No. 24.

It is observed that a larger provision for Police Works than Rupees 52,822 promised in G.O., No. 3,610, dated 24th December 1875, cannot be made in the Public Works Department from the small grant of 8½ lakhs made available for Provincial Works during 1876-77. The balance of Rupees 27,178 must accordingly be provided by an additional allotment in the Civil Budget by the Financial Department under G.O., No. 617, dated 3rd March 1875, or the Inspector-General of Police must reduce his demand.
