Read the following memorandum from the Adjutant-General, (through the Accountant-General) recommending that Surgeon J. B. Thomas, Zillah Surgeon, Negapatam, be granted fifteen months' furlough to Europe on private affairs; dated 8th February 1876, No. 59.

*Proceedings of the Madras Government, Military Department,

W. HUDLESTON,
Chief Secretary.

To the Military Department.

No. 224. ORDER THEREON, 15th February 1876, No. 797

The furlough granted, and notified in G.O.

2. It is observed that Surgeon Thomas asks also for subsidiary leave in the same application. This is inconvenient.

3. As furlough ~~must~~ ^{must} ~~in the~~ ^{in the} must, under regulation, be granted by Government in the Military Department, Military and Medical Officers in the Civil Department wanting both furlough and subsidiary leave should submit separate applications—those for furlough being forwarded to the Adjutant-General, and for subsidiary leave to the Accountant-General, for submission to Government in the proper department.

I think the mil. order
 should be recorded; but if
 Secy is of opinion that action
 should be taken of it, the
 order I think should go out
 some what as in enclosed draft,
 the whole matter being boiled
 down, & the result alone

Given Wm. Staff. - It is obviously
 unfair to ask the British Regt
