*Proceedings of the Madras Government, Public Works Department,
28th February 1876.*

No. 533. Read the following letter from Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 25th February 1876, No. 265 W:—

I HAVE the honor to inform you that from the accounts, actual and approximate, of the expenditure on Public Works to the end of January 1876, taken with the applications for funds for the month of March and the best estimate I am able to make for the month of February, I have arrived at the conclusion that if the applications for funds for March are complied with, the Budget grant under the heads of Service, Irrigation, Capital Ordinary, Revenue and Ordinary Agricultural, will be exceeded.

2. Under the financial orders in force, I have therefore the honor to request the orders of Government as to whether I am to comply in full with the divisional applications for funds for March, leaving the responsibility of any excess expenditure to rest with the District Engineers or other authorities who ordered the commencement of the works; or whether I am to comply with the divisional applications for funds only to the extent that is required for expenditure on the service heads Provincial, Special, Local and Imperial.

3. The favor of a very early reply is requested, for, pending the orders of Government, I have complied with the cash requisitions only to the extent required for Services other than Irrigation. On receipt of the orders of Government to issue further funds to meet expenditure on Irrigation Works, a supplementary application will be submitted to the Accountant-General, Madras, and the funds will be placed at the disposal of the Executive Officers.

No. 534. ORDER THEREON, 28th February 1876, No. 551.

IRRIGATION, No. 53.
Account.

THE Examiner of Public Works Accounts is authorized to comply in full with demands for funds from District Engineers, application having been already made to the Government of India for an additional grant of $1\frac{1}{2}$ lakhs, and on account of emergent Irrigation Works, which have been ordered by the Madras Government to be carried out in anticipation of an increased assignment of funds to that extent.

FORT SAINT GEORGE, 25th February, 1876.

Sir,

I have the honor to inform you that from the accounts, actual and approximate, of the expenditure on Public Works to the end of January 1876 taken with the applications for funds for the month of March and the best estimate I am able to make for the month of February, I have arrived at the conclusion that if the applications for funds for March are complied with, the Budget grant under the heads of Service, Irrigation, Capital Ordinary, Revenue and Ordinary Agricultural will be exceeded.

2.

Under the financial orders in force, I have therefore the honor

to request the orders of Government as to whether I am to comply in full with the Divisional applications for funds for March, leaving the responsibility of any extra expenditure to rest with the District Engineers or other authorities who ordered the commencement of the works; or whether I am to comply with the Divisional applications for funds only to the extent that is required for expenditure on the Service Road, Provincial, Special, Local and Imperial.

The favor of a very early reply is requested, for, pending the orders of Government, I have complied with the the Cash requisitions only to the extent required for services other than Irrigation. On receipt of the orders of Government to issue further funds

to meet expenditure on Irrigation Works, a supplementary application will be submitted to the Accountant General, Madras, and the funds will be placed at the disposal of the Executive Officers.

I have the honor to be

Sir
