CONSULTING ENGINEER'S OFFICE.

Madras, *25th February* 1876.

No. *109*

From

LIEUT.-COLONEL J. H. M. SHAW-STEWART, R.E.,

Consulting Engineer for Railways,

To

MAJOR-GENERAL G. W. WALKER, R.E.,

Secretary to Government,

Public Works Department,

Fort Saint George.

SIR,

With reference to the
Order of Government dated 12th
November 1875, No. 3231, I have
the honour to submit a schedule
of all accidents which occurred on
the Madras and South Indian
Railways during the quarter
ended 31st December 1875, and
not yet reported to Government.

2. Some delay has
occurred in the submission of this
schedule owing to the late receipt
of

of some of the information from the Agents. It will also be observed that a few of the accidents occurred before the commencement of the quarter under review, while others are still incomplete in some particulars. The system now adopted for recording accidents is getting into working order, and I hope to be able to submit the schedule for the current quarter within a reasonable time after its close.

I have the honour to be

Sir

Yours most obedient servant.
