OBSERVATIONS.—In the Resolution Nos. 2,033—40 R., dated 14th August 1875, the Government of India expressed the

opinion that the rule quoted in the margin, and followed on the Railways in Madras and Bombay, in respect to the maintenance of the approaches of public roads which cross Railways either over, under, or on the level, was simple and unobjectionable, and might be generally adopted if approved by the Local Governments and Administrations. Their opinions were accordingly called for.

2. Replies have now been received from all the Administrative authorities concerned in favor of the rule, and it is accordingly decided by the Government of India that the rule shall be adopted on all Guaranteed and State Railways throughout India.
