*Proceedings of the Madras Government, Public Works Department,
13th March 1876.*

No. 172. Read the following letter from J. D. GRANT, Esq., Officiating District Engineer, Tinnevely, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 21st February 1876, No. 138 :—

With reference to paragraph 2 of G.O., No. 270, of 29th ultimo, I have the honor to explain that I would not have so long delayed in reporting the date from which the Streeviguntum Ancient works are to be considered to have come into operation had it not been that, when called on for the report, a statement of the area and revenue of cultivation under the project was being prepared for submission to the Chief Engineer for Irrigation, and as one without the other appeared incomplete I deferred replying till I could report on both.

2. The date fixed on, after consultation with the Collector, was Fasli 1281 (1870-71), and was reported to the Chief Engineer for Irrigation on the 4th instant.

3. In regard to the charges for repair during construction, I beg to report that all such charges up to Fasli 1281 are included in the revised estimate.

No. 173. ORDER THEREON, 13th March 1876, No. 647.

IRRIGATION, No. 17.

RECORDED. A copy of these Proceedings will be forwarded for the information of the Government of India in continuation of those of the 29th January last, No. 270, and with reference to Colonel Dickens' letter, No. 451 I., of the 27th December 1875.
