N. 185

Malabar Dist. Engin Office
Camp Luckadie 12th Feby 1876.

From

The off: District Engineer
Malabar

To

The Secretary to Government
P. W. Department
Madras

Sir,

I have the honor to forward
an estimate amounting to Rs. 100 for re-new-
ing and extending the wood work of the
Skittle alley at Malapuram, and to state
that Dy: Surgeon General H. W. Massey
strongly recommends that the work should
be done for the amusement and occupation
of men stationed there, the estimate has
also received the approval of the officer
Commanding the Province, but as I have
no funds at my disposal under head
of Minor New Works Military I beg
that the estimate may be sanctioned, and
amount allotted.

I have the honor to be

Sir,

Your most obt. servant

D. K. S. S.

Off: Dist. Engin, Malabar

Specification to accompany Estimate for
Renewing and extending the woodwork of the
Shuttle Alley attached to the European Barracks
at Mallespore.

Amount of Estimate Rs 100-0-0

The timber of the present platform
being rotten and the planking considered too
thin, it is proposed to renew them with
well seasoned Erol wood free from
cracks and other defects.

The woodwork to be entirely removed and
the floor below excavated to a depth of one
foot and then a layer of concrete 3 inches
thick to be laid down and well rammed.

The ^{tern} plates of the platform will be
placed 12' 4" apart from centre to centre
and the planks fitted over them.

The woodwork to have two coats of a
composition of asphalt and tar in the
proportion of 3 of tar to one of asphalt.
After the completion of work all
rubbish &c. to be removed and the place
left clean.
