*Proceedings of the Madras Government, Public Works Department,
16th March 1876.*

No. 232. Read the following letter from Captain L. CONWAY-GORDON, R.E.,
Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Fort St. George,
13th March 1876, No. 278 W. :—

ADVERTING to G.O., No. 294, dated 4th February 1876, communicating letter
from the Government of India, No. 102 A.G., dated 26th January 1876, in which
sanction is accorded to the transfer of Rupees 68,000 from the Civil to the Imperial
Public Works Budget Estimate, on account of Salt Works, I have the honor to point
out, with reference to paragraph 2 of the letter, that the grant for Buildings and
Roads and total Ordinary allotment for Madras for 1875-76, according to the books of
this office, now stand at Rupees 9,02,000 and Rupees 37,58,600 respectively, and not
Rupees 9,01,000 and Rupees 37,57,600, as therein stated.

2. The difference of Rupees 1,000 is the provision made on account of the
Light-house at Muttum, as per letter from the Government of India, No. 128, dated
14th June 1875, printed in G.O., No. 1,877, of the 3rd July 1875, but from a
communication lately received from the Accountant-General, Public Works Depart-
ment, I am in some doubt as to whether this sum of Rupees 1,000 is to be considered
as an increase to the Public Works Budget.

No. 233. ORDER THEREON, 16th March 1876, No. 677.

ACCOUNT, No. 10.

ORDERED to be recorded.
