*Proceedings of the Madras Government, Public Works Department,
13th January 1876.*

No. 130. Read the following letter from J. MAY, Esq., Superintendent of Madras Harbour Works, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 10th January 1876, No. 36 G.:—

I HAVE the honor to report that Mr. Parkes has expressed a wish, first stated in the spring of last year and repeated from time to time since then, for me to visit the Harbour Works at Kurrachee, because the works of the Manora Pier are similar to those of the proposed piers at Madras, and on account of the plant which Mr. Price, the Superintendent at Kurrachee, is now arranging for shipment to these works.

Mr. Parkes writes thus, 12th November 1875,—

“I shall be glad to hear that, after His Royal Highness has left Madras, you will go up to Kurrachee.”

In case this journey may be approved, the present time appears to be convenient, while the new approach is being made to the north pier at Royapooram, and in such case I would propose to leave here by the mail train for Bombay next Friday evening. The time required for the journey to Kurrachee and back to Madras is about a fortnight.

No. 131. ORDER THEREON, 13th January 1876, No. 67.

ESTABLISHMENT, No. 10.

His Grace the Governor in Council sanctions the journey to Kurrachee by Mr. May for the purpose of visiting the Harbour Works there.

2. Travelling allowances will be admitted on the scale sanctioned in G.O., No. 1,433, dated 25th May 1875, paragraph 6.
