

*Proceedings of the Madras Government, Public Works Department,
17th March 1876.*

Read the following papers:—

No. 286. Endorsement of the Chief Secretary to Government, dated Fort St. George, 25th January 1876, No. 109.

From the Right Reverend Dr. S. FENNELLY, Bishop and Vicar Apostolic of Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 21st January 1876, No. 1.

THE Roman Catholic Chaplain of Palaveram reports that St. Xavier's Church at that station, in which the Roman Catholic Soldiers are accommodated, is in need of repairs. I enclose an estimate of the necessary repairs, which was furnished at the Chaplain's request by Mr. F. C. Bullmore, the Engineer of the Carnatic Railway Company. If the work is commenced on an early date the repairs can be substantially done for Rupees 1,100, the estimated amount; but if the work is delayed for another year the repairs will probably cost 3,000 Rupees.

2. In Proceedings of the Madras Government, No. 1,727, dated the 26th June 1874, it was ruled, among other matters, that the cost of repairs of the church of St. Xavier at Palaveram should be shared between the Catholic Mission and the Government—the latter contributing $\frac{1}{2}$ parts of the total cost. If His Grace the Governor in Council be graciously pleased to sanction payment to me of Rupees 419 for repairs of the Church, I undertake to collect the Mission share (Rupees 681) and to have the repairs properly done in course of the year. I make this suggestion because if the work be left in the hands of the Department of Public Works there will be considerable delay, and the repairs will be very expensive in the end. I have the honor to request that you will have the goodness to submit the matter for the orders of His Grace the Governor in Council.

TRANSFERRED to the Public Works Department with reference to the Order in that Department, dated 26th June 1874, No. 1,727.

(Signed) W. HUDLESTON,
Chief Secretary.
