No. 4536 District Engineer's Office
Madras 7th March 1876.

Creant: Coll. J. S. Fischer Esq.
District Engineer Madras
Major General G. W. Walker Esq.
Secretary to Govt. P. W. D.
Madras.

Sir,
I have the honor to acknowledge receipt of G. O. of the 22nd February 1876 No. 179 and beg very respectfully to express regret that there should have been any impropriety in my letter of the 8th February 1876 No. 4141 for the Government to condemn, but at the same time I beg to be allowed to explain that I submitted my application for the man's petition with a view of laying before His Grace the Governor-in-Council, the real grounds of the man's dismissal, which assuredly are not those described in G. O. of the 25th January 1876 No. 187, and to show that I did not act in the hasty and utterly inconsiderate manner attributed to me therein.

2. I have since entertained this man at my own expense in this office and as the Government have been pleased to reject my application I would solicit permission to employ him in this District as soon as an opportunity occurs, for he will certainly not find it easy to get employment elsewhere, on the orders passed on his petition only, for officers are likely to enquire from me what were the real grounds of his dismissal as it is well known I do not usually treat my subordinates without any consideration and then I do not think he would get a place easily. —

3. I trust the Government will be pleased to excuse my troubling them again in this matter and grant my request on the petitioner's behalf if it is wished to do him any real favor, but as matters now stand the man is not likely to be employed elsewhere, and I stand condemned for treating him with inconsiderate harshness on allegations which have never been proved at all. —

I have the honor to be

Sir
